    - IPTV Boxes (through Google Play)

Resolution Steps

Access Path:

Go to **Tivo Home | Apps | Tubi TV**

The first screen will tell you to **sign in/register** or to continue as a **guest**

Signing in is **not required**, but if you sign in to your own profile you can access your **favorites**, view your viewing **history**, and **more**

1. Select **sign in/register**

2. On the next screen, select **Register** or **Link** account

3. The next screen tells you to go to **tubitv.com/activate**

4. You will need to create an account on **tubitv.com** through your **Facebook login** or **email**

Registration:

1. Once you create an account, you will be asked for the **activation code** provided on your TV screen

2. Once the code is entered, your profile is **synched** to the App on TiVo

Navigation:

1. After selecting a video, a short advertisement will play and then take you right to the video

2. Press **down** to open up **FF REW** and **pause** options

- Select one of these options to control your video

- You can also use the **FF REW** and **Pause** button on the remote

(**replay**) will take you out of the video and back to the main area

4. Tubi TV does have **parental controls,** you have to set them on the **website** with your account (**tubitv.com**)

3.
