

# Max Streaming App- 8604

---

## Introduction

---

### Important

- **HBO subscribers** get access to **the Max app** at **no additional cost**
- **Max App** gives access to **HBO channels, HBO On Demand, Max Originals** all with **ad-free streaming**
- **Pending Install** accounts **won't validate** the cable subscription; the install **must** be **complete**
- Accounts that are **Pending Disconnect** will **validate**, *unless* it's a **pending Non-Pay** Disconnect
- On **October 5, 2023**, Max App launches the **Bleacher Report** tier and is available free to Max subscribers until **February 29, 2024**

### Streaming Content Availability after Subscribing

- The **Max App** is available to both **cable** and **data customers** on **Astound IPTV** boxes and the **TiVo 4K Stream**
- **DC Metro, IL, IN, MA, MD, NY and PA**: available within minutes
- **CA, OR, TX and WA**: may take up to 24 hours

## App Setup

- On **May 23, 2023**, the **HBO Max App** became the **Max App**
- **Download the App** from the **Google Play Store**, the **iTunes App Store**, or from the [channel's website](#)
- Select the correct **company / brand** from the list of providers
- Customers log in as follows to **validate** the subscription and **start watching**
  - **CA, OR, WA** and **Houston, TX**: Watch TV Everywhere (WTVE) credentials **Note:** WTVE can use any email address as a username
  - **DC Metro, IL, MA, MD, NY** and **PA**: MyAstound Selfcare credentials **Note:** Selfcare credentials can use any email address as a username
  - **Texas (except Houston)**: @astound.net email address or the primary @mygrande.net email address

## Resolution Steps

---

### Not a Subscriber / Not Authorized Error

- Ensure the customer **subscribes** to the channel's **tier of service**
- [Balance the account](#) to ensure the channel is authorized
- Ask the customer to verify **Parental Control** settings on **that channel's website**; our company does **not have access** to those settings
- Verify the **last login** using the **Selfcare Tool** in **BOLT**

- If unable to resolve, click **Create Work Order or Technical case**
- Fill out the information as described below and click **Submit**

<b>Trouble Call or Tech Case</b>	Trouble Call
<b>Service Category</b>	Multi
<b>Problem Description</b>	Select TV-On-the-Go Mobile or Web Interface
<b>Include</b>	Valid Contact Name and Phone Number
<b>Notes</b>	Username and Channel Name with the Issue
