

Stand Alone CableCARD Pairing Article no. 1574

Introduction

Pairing your CableCARD to a retail TiVo

- **4 Tuners, 2 Tuners, Single Tuners, and Minis on TiVo Experience 3**
 - Go to **TiVo Central | Settings & Messages | Account & System Information | Cable Card Decoder | Cable Card Options (for Installers) | Cable Card Menu | Cable Card Pairing** | collect the **CableCARD ID, Host ID and Data** [\[see steps\]](#)
- **4K 6 Tuners, 6 Tuners , 4K Minis, and Minis on TiVo Experience 4**
 - Go to **TiVo Home** | left arrow to **Menu | Settings | Remote, CableCARD & Devices | Cable Card Decoder | CableCard Installation | CableCard Menu | CableCard pairing** - collect the **CableCARD ID, Host ID and Data** [\[see steps\]](#)
- If you see the [Technician Verification Channel](#), the CableCARD is already paired, no further steps necessary
- If you see an [In Order to start service..](#) screen, the CableCARD needs to be paired. See below

Resolution Steps

In ICOMS

1. Go to the **Customer Equipment Maintenance [BX]** screen

2. Highlight the **CableCARD**, click **Sent Hit** and choose **Pairing** or **Pair Host w/ Cable Card**

- If you are pairing a CableCARD from piece of customer purchased equipment to another piece of customer purchased equipment, select **Unpair**. The status will change to **Pending Unpair**

3. On the **Cable Card ID and Host Info Details** screen, enter the **CableCARD info** below information

- **Cable Card ID** (13 digits, no dashes)
- **Host ID** (13 digits, no dashes) Listed as just ID in ICOMS
- **Data** (11 digits, no dashes) - *This is usually there already, but not 100% of the time*
- Ensure information is **accurate** before pressing **Enter**; once entered, it can't be changed

4. On the **Cable Card ID and Host Info** screen, select the **CableCARD** and click **Pair**

- Note the status change from *Not Paired* to *Pending Pair*
- **F5** to **Refresh** until the status reads *Paired*

5. **For TiVo:**

- If the numbers **match** the customer's screen, and the card *will not pair*, click **Create Work Order or Technical Case** button on the **Work Orders Tab in BOLT**
- Fill out the information as described below and click **Submit**

Trouble Call or Tech Case	TiVo Issue
Service Category	TiVo ONLY
