

VOD Errors SRM-65535 and CL-514- Article no. 5463

Introduction

This is a Signal or Connection Error (and occurs when you remove the coax cable from the cable box while it is on)

Resolution Steps

1. **Unplug power** from back of converter box
2. **Check the coax** to ensure it s screwed securely into the back of the converter box and is not bent or damaged
3. **Plug power back into converter box** give the box 10 minutes to completely reboot, and then re-test
4. If the issue persists, click the **Create Work Order or Technical Case** button on the Work Orders Tab in BOLT
 - Fill out the information as described below and click **Submit**
