

Netflix App on TiVo and IPTV- Article no. 3763

Self-Service Support Alert: this article is available for customers on help.astound.com

Introduction

With Netflix on your TiVo, you can enjoy a wide selection of Netflix movies and TV episodes from Netflix right to your TiVo® box!

Eligibility Requirements Include:

- An eligible TiVo box (see above) in **HDUI**
- Our High Speed Internet connection
- A Netflix subscription

Internet Speed

- Netflix is a streaming service--movies and TV episodes are streaming over the Internet, not being downloaded, so you must be connected to the Internet throughout the time you are watching from Netflix
- Netflix works with many different levels of Internet speeds, the speed of your Internet connection may impact your viewing experience
- **Internet Connection Speed Recommendations - 20 Mbps**

Recommended for **HD video quality**

Device Limit

- The number of devices that may be allowed to instantly watch simultaneously will **depend on your Netflix membership plan**
- You must call or access Netflix online to view specific information on your account with Netflix

Quick Tip! You can press the ZOOM or UP key to toggle in/out of the show you are watching or in and out of the Netflix Menu

Resolution Steps
